# Now Hiring!!!

Above It All is seeking a full-time **Rehabilitation Specialist** to become a part of our team! Our Rehabilitation Specialist will be a key contributor within our interdisciplinary team and incorporate knowledge of each client's conditions and needs to ensure appropriate, individualized and quality care delivery.

## **Responsibilities:**

- Assess client's individual diagnostic, social and family needs in order to develop treatment plans; and write progress notes and discharge summaries.
- Construct necessary recommendations for treatment modification or discharge.
- Develop and maintain clinical records to ensure compliance with COMAR regulations.
- Along with the Program Director, oversee rehabilitation coordinators by monitoring care and progress in the Psychiatric Rehabilitation Program.

## **Qualifications:**

- Master's Level licensed mental health professional (*LGSW, LGPC, LMSW, CPRP, LCSW-C, LCPC*)
- Minimum of 2 years direct care experience working with emotionally disturbed youth
- Strong organizational skills
- Excellent written and verbal communication skills

## **How to Apply:**

- Send an email to [hr@aiahealth.org](mailto:hr@aiahealth.org). Let us know what position you are applying for and attach your resume.
